

REGISTRATION INFORMATION

It gives us great pleasure to welcome all of our members and their families to another great year of skating at Skate Canada Brampton-Chinguacousy (SCBC).

FIRST TIME REGISTERING?

In an effort to make our registrations paperless, we offer members the ability to complete online registration at www.skatescbc.ca

Parents must create an SCBC account as the member and then add the skater(s) as participant(s). For adult skaters and skaters (over 18 yrs.) who are registering for themselves, there is a checkbox to identify that you would also be the participant of a program.

ACCESSING YOUR ACCOUNT

- Did you forget your password? No problem. Request it online and it will be sent to you via email.
- Need your Registration Invoice? Log in and select 'MY ACCOUNT' and then the Invoice tab to reprint an invoice for current and past programs.

IS YOUR EMAIL ADDRESS AND PHONE NUMBER UP TO DATE / CURRENT?

Make sure that your Account has an accurate email address and phone number should we need to contact you.

MAINTAINING YOUR ACCOUNT

Reminder! If your credit card has been renewed, please ensure that you update your account with the latest information. SCBC does not have access to your credit card information. **Only you**, as a member, are able to update your credit card details in your account.

DETERMINING RESIDENT STATUS

- Residents: If you or your landlord is paying property taxes in the City of Brampton, you are considered a Brampton resident (proof of residency may be requested)
- Non-Resident: If you or your landlord is not paying property taxes to the City of Brampton, you are considered a non-resident. A surcharge of \$100 per person will be added to the registration fee.

Brampton municipal taxes are used to subsidize all youth programs; therefore, anyone participating in our programs who do not pay taxes to the City of Brampton will have to pay the \$100 surcharge.

AGE REQUIREMENTS

In order to provide safe and enjoyable programming, age restrictions may be applied to certain program offerings. Skaters must be the minimum age required on the start date of the program (unless otherwise stated). Proof of age may be required at the time of registration.

To register for the CanSkate program, SCBC's Learn to Skate Program, skaters must be at least 4 years of age by the end of December of the current year. Skaters over the age of 18 must show proof of registration and must be attending full-time post secondary education in order to sign up for SCBC sessions due to the fact that SCBC is a youth subsidized program by the City of Brampton (SCBC does also offer adult sessions).

If the agreed upon repayment terms are not followed, the account will be considered "Overdue" and the member's account will be suspended. The member will not be permitted to skate in their registered session or participate in test days, until all outstanding balances have been cleared and the skater account is in "good standing".

OVERDUE ACCOUNTS

Members will not be permitted to skate on any SCBC registered session, Ticket Ice session or participate in test days unless their account is in “good standing”.

Any member whose account is in arrears will be notified in writing, by a club representative to resolve this issue immediately. Once the members account is in good standing the skater will again be able to enjoy full membership rights and privileges.

Credits are not transferrable.

Any member who withdraws from a session after the prescribed grace period is not entitled to a refund (full or partial).

With formal submission of a written request, to include an explanation detailing circumstances (including supporting documentation as applicable), SCBC may consider under certain circumstances issuing a **CREDIT** to the skaters account that can be used for future registration only. SCBC account credits are not available to be used to offset incurred coaching fees.

Any credit will be pro-rated from the time of notification.

The following fees on your initial registration for the session are not credited back: Skate Canada/Admin fee, any fundraising or volunteer fee

MEDICAL/INJURY REQUESTS

Medical/Injury requests for refunds or account credit should be directed to the membership chair immediately and will only be considered if 3 or more weeks (Fall/Winter) or 1 or more weeks (Summer) have been missed by the skater, or where medical documentation can be provided to support a prolonged absence. SCBC reserves the right to request additional medical documentation from a physician, to support the request and further evaluate the request of the member. All requests for refunds or account credit must be in writing to the Membership Chair membership@skatescbc.ca and the Treasurer treasurer@skatescbc.ca. If approved, the refund is subject to a \$30.00 administration surcharge.

Any refund will be pro-rated from the time of notification. All granted refunds will be processed through, cheque or credit card depending on the original payment method.

It will be at the discretion of the Board, after consideration of the member’s request and supporting documentation whether a refund or credit to the members account will be authorized.

SESSION REGISTRATION AND MOVES

All skaters must be registered in the highest level they qualify for as of their last test day for the SCBC session ice they skate on. This allows SCBC the opportunity to better accommodate each skaters needs and ensure a higher level of safety while on the ice, for all skaters.

Movement to a higher session is only allowed provided the following conditions are met:

1) The skater must have passed the required tests. The skater's Coach will identify which session a skater should register for.

2) A formal Letter/Email of Request from the member, to include agreement of the skater's head coach must be received by the Membership Chair (membership@skatescbc.ca) for approval. All requests will be considered in the order to which they are received.

3) There must be available space on the session the skater is requesting. A waiting list may be created as necessary if the session is full.

4) Approval may involve consultation with all, or some of the following: the individual Skaters Coach, SCBC Coaches Assessment Team and SCBC Board.

Skaters are only able to skate in sessions for which their skills are appropriate.

If approval to move sessions is granted, a \$30.00 administrative fee will be charged for each CanSkate or regular session schedule change requested after registration **except** for moves due to skater advancement as a result of a successful "Test" day.

Skaters are not permitted to move to another session until authorization has been granted and written notification has been received.

Skater safety is a priority and will not be compromised to accommodate any one request.

Once permitted to move levels, a skater must attend only the scheduled days for the new session that was requested. The skater is not allowed to skate on the previous, old session.

At the StarSkate/Competitive level, skaters are required to obtain and work with a private coach.

Please refer to the "Coaches" section on our website to obtain SCBC contracted coaches bios and contact information if you have not secured the services of a private coach at this time.

TICKET ICE POLICY

"Ticket Ice" is additional time that a **SCBC member** can arrange with their coach(es) to supplement their regular practice and training routine. Ticket ice cannot be used as a primary training period in lieu of registering in a regularly scheduled session.

Ticket Ice time is available to all SCBC registered members, who have registered in minimum two (2) day, regularly scheduled SCBC session. If you are not registered in a minimum of a two (2) scheduled session,

you are not eligible to use "Ticket Ice" time. Dance Academy skaters have access to Ticket ice sessions as their session duration is 2 hours in length and spans what would be considered a 2-day session. To use Ticket Ice, a skater must be working with their coach on that session.

To access Ticket Ice, all members are required to pre-purchase tickets. Tickets may be purchased from the club office, see monthly schedule operating hours for availability. **A strip of five (5) tickets will cost the skater \$50.** Tickets can only be purchased in strips of five (5). When using Ticket Ice, **all skaters must register/sign in, and leave a ticket in the identified envelope prior to stepping onto the ice.** Without a ticket, you are not able to skate on Ticket Ice.

We have 2 different types of Ticket Ice:

- "Ticket Ice" or "Singles Ticket Ice" are synonymous and are used for skaters working on Singles skating activities – skills, dances (solo, shadow or with a partner) and FreeSkate.
- Dance Ticket Ice can only be used by the Dance Academy skaters.

Out of club skaters who are registered members of Skate Canada, in good standing at their club and registered in a 2-day session in their club can access Ticket Ice privileges with an SCBC coach during Ticket Ice times. These skaters and/or their coach are responsible for the advance purchase of authorized "tickets" for use the day of their skating. These tickets can be purchased by the skater or their coach at a cost of \$65.00 for a strip of 5 tickets. Tickets can only be purchased in strips of five (5). Out of club skaters cannot exceed 8 ticket ice times per month.

Any coach/instructor who is not on SCBC coaching staff, may not instruct on Ticket Ice without the knowledge and prior authorization of the SCBC Board.

SCBC Coaches are allowed to use Ticket Ice for their personal development as long as they do not exceed 8 ticket ice times per month and they pay for the Ticket Ice sessions.

Tickets must be purchased in advance and presented before the skater participates on Ticket Ice. Tickets must be purchased in advance of attending ticket ice sessions. All skaters **MUST** register for the ticket ice session before going on the ice. Failure to register and provide the required ticket, may result in the skater losing ticket ice privileges.

Tickets can be purchased at any time during regular office hours from the club administrator, or through any SCBC Board member.

Skaters must be working with their coach to attend a scheduled Ticket Ice session. Skaters are not permitted on the ice without the presence of an SCBC contracted coach. If the skater has been working with their coach and the coach leaves the ice, skaters may remain as long as there is another SCBC coach on the ice. Any skater found to be using a Ticket Ice session **without a coach on the ice**, will immediately be suspended from all Ticket Ice privileges for the remainder of the season.

Again, Skaters are not permitted on the ice for a Ticket Ice session **until a Coach is present and on the ice**. As this is a serious concern, any members violating this policy could potentially lose their skating privileges at SCBC.

Concerns and inquiries can be made directly to vp@skatescbc.ca

GUEST SKATING POLICY

“Guest skating” is only available to **SCBC skaters registered in a session**. Guest Skating will be permitted on select sessions/programs. Out of club skaters are not permitted to Guest Skate on any session.

Any coach/instructor who is not on SCBC coaching staff, may not instruct on a session via Guest Skating without the knowledge and prior authorization of the SCBC Board.

To Guest Skate, all members are required to pre-purchase tickets. Tickets may be purchased from the club office, see monthly schedule operating hours for availability. **A strip of five (5) tickets will cost the skater \$75**. Tickets can only be purchased in strips of five (5). When using Guest skating tickets, **all skaters must register/sign in, and leave a ticket in the identified envelope prior to stepping onto the ice**. Without a ticket, you are not able to guest skate.

A skater will only be allowed to Guest Skate on a program/session if the following 4 requirements are met:

The session/program allows Guest skating e.g. no Guest Skating permitted on Power/Edge, Competitive and Pre-Competitive

The session is not at or over capacity; the skater may not enter the ice surface until 10 mins has passed to ensure the session is not at capacity, the skater will wait at the entrance to the ice surface with the session rep

who will inform the skater when it is alright to go to the ice. The skater must have a Guest Skating ticket that is surrendered to the session rep and they are to sign in on the official attendance register as a guest skater, before they enter the ice surface.

The skater is Guest skating on an equivalent session (same session, but different day than registered) OR on a session 1 level above or below their registered program/session (but only after receiving approval from the Skater Assessment Committee). The Skater Assessment Committee will communicate their recommendation to the SCBC Board for requests to guest skate 1 up or down from a skater’s registered session. Once the skater has the approval of the SAC, the skater is permitted to Guest Skate provided the other requirements are met. e.g. A Silver session skater can only guest skate on Silver, Gold or Bronze level session, where the session attendance permits; A Bronze skater can only guest skate on Bronze or Silver Session.

As safety is paramount for our skaters, if the SCBC Board (with feedback from coaches) advise that the Guest skater does not have the ability to safely traverse the ice and interact safely with fellow skaters during the session, the skater will be restricted from Guest skating on that session.

Any skater found not to be following the Guest skating expectations will immediately have their Guest skating privileges suspended.

In the past to accommodate dance partnering, skaters were permitted to skate the first or last 15 minutes of any session to take their dance lesson. Skaters are no longer permitted to engage in this activity. Skaters who are seeking additional ice can participate in Guest Skating privileges or utilize the posted Ticket Ice times.

Concerns and inquiries can be made directly to vp@skatescbc.ca

NON-SCBC MEMBER REQUESTS

During the Fall/ Winter/Spring Sessions (Sep – June), Non SCBC skaters are not allowed to test at SCBC Test Days without the written permission from the Skate Ontario Judges Bureau Coordinator.

During the Summer Session, Non SCBC Members can request to Test for a scheduled SCBC Test Day. In order to be accepted to test during the SCBC Test Day, the non SCBC skater must:

- be a fully registered Skate Canada member in good standing and able to provide member registration # and home club information
- have a registered Skate Canada coach or partner in good standing and can provide coaches/partners registration # and home club information
- they must be currently registered for an appropriate skating program through another Skate Canada Club (appropriate documentation to be provided) or through SCBC
- provide the following fees: applicable individual test fees + \$40 admin fee

Note: compliance with the above requirements does not automatically grant approval to test; the final decision remains with the SCBC Test Chair. Approval must be received from the Test Chair in advance of Test Day.

Non-SCBC Members are not permitted to “Guest Skate” on SCBC session and are only permitted to use “Ticket Ice” in a limited capacity.

VOLUNTEER COMMITMENT POLICY

SCBC operates as a not-for-profit organization that requires the support of volunteers to operate successfully. The club offers various volunteer opportunities throughout the course of the skating season. For more information on the volunteer tasks that are required throughout the year, please contact the Volunteer Chair at volunteer@skatescbc.ca.

The volunteer following commitment applies to all registered skater families in the following sessions; Bronze, Silver, Gold, Platinum and Dance Academy.

- The volunteer requirement for each skater family is 15 volunteer hours or \$300 per skater.
- For families with multiple skaters registered, the volunteer requirement is 20 volunteer hours or \$350 per family.

VOLUNTEER CHEQUE

You are required to submit to the club prior to September 30th, a postdated cheque, dated April 15th, 2020, payable to Skate Canada Brampton Chinguacousy for the applicable amount. This will be kept until such time as you have completed all of your volunteer hours.

At this time your cheque will be returned to you. If you are unable to complete the necessary volunteer commitment, your cheque will be deposited. If your volunteer cheque is not received before September 30th, your account may be considered in arrears and may affect your skater’s ability to participate in scheduled sessions and test days after this date.

Note: There is no payout for partial hours completed against your deposit cheque. If you do not complete the required number of volunteer hours, your cheque will be cashed. A returned cheque is subject to NSF and admin fees, in addition to the original cheque amount.

Volunteer hours may be contributed by skaters, only where the skater has reached 16 years of age. There are a limited number of opportunities for these skaters to gain the necessary hours. Check with the Volunteer Chair to determine what qualifies as acceptable hours. These skaters at their discretion, can use these hours towards the High School Volunteer Commitment that students are required to complete. Volunteer hours may not be used for both, therefore the skater will need to decide how they would like their hours counted.

Canskate Program Assistant hours do not count as part of the volunteer commitment under this program.

Volunteer Reporting Cards are available for all members from the SCBC office. Once you have completed a volunteer session, you are to record this on your card and have it signed off. Only SCBC Board members are able to authorize your volunteer hours.

Volunteer cards are due back to the club, attention Volunteer Chair on or before April 15th of any skating year. Only these hours will be used to count towards your volunteer hours for the year. Any hours after April 15th will be counted towards the following year’s volunteer commitment.

IN CASE OF FIRE ALARM, POWER OUTAGE OR OTHER EMERGENCIES:

When the Fire Alarm sounds, you need to act immediately to ensure your safety. The Fire Alarm System is designed and engineered to provide you with an early warning to allow you to safely exit the building during an emergency.

If a fire alarm has been activated while your children are skating, the Coaches, Board Members and City Staff will ensure they are evacuated safely.

The skaters will be taken off the ice in an orderly manner by way of the safest and closest exit.

As the children are exiting the rink, they **must have hard guards** to place on their skates. It is **extremely dangerous** for your child to be walking without hard guards. These guards should be placed on the table where the children enter and exit the rink. Please make sure they have hard guards with their names on them.

Never return for personal items left behind. This includes items left in the change rooms.

City Staff, Coaches and Board Members will check change rooms to ensure everyone is evacuated.

Never ignore or assume the alarm is false or the result of a test.

Everyone must evacuate the building by way of the safest and closest exit and/or stairway. If parents are in the viewing area, they must use the closest exit. Please exit in an orderly manner.

Never use an elevator to exit during fire alarm activation.

Once outside the building, remain calm. At the meeting point identified by the City of Brampton staff, attendance will be taken by session representative (if one is available for session) under the direction of the Board member/admin on site. **Please do not leave with your child** (until advised) as we need to ensure that everyone is out safely. In the event of a real fire, if a parent leaves without advising us, the Fire Department will go back into the facility looking for the child.

Once outside, **never re-enter** the building until you are told to do so by the City Employees or the Fire Department.

**** Note:** SCBC takes their direction from the City of Brampton / Cassie Campbell staff. An evacuation may not be applicable in certain emergencies. Please follow the instructions from the City of Brampton employees, as we will also be obtaining guidance from them on how to proceed.
