

## **2022-2023 SCBC Volunteer Commitment Policy**

As we look forward to another successful season of skating, we wanted to reach out to share information on the 2022-2023 Club Volunteer Commitment Policy as well as details on an upcoming volunteer opportunities.

SCBC operates as a not-for-profit organization that requires the support of volunteers to operate successfully. The club offers various volunteer opportunities throughout the course of the skating season. This season we are pleased to be able to once again partner with Skate Ontario to host several events and competitions which include:

- 1. Sectional Series Competition**  
Paramount Fine Foods Centre in Mississauga  
August 18<sup>th</sup> – 21<sup>st</sup>, 2022
- 2. Synchro Series Competition: Skate Canada Classic**  
CAA Centre  
December 9<sup>th</sup> – 11<sup>th</sup>, 2022
- 3. Provincial Series: Flower City Invitational**  
Cassie Campbell Community Centre  
February 9<sup>th</sup> – 12<sup>th</sup>, 2023

Events such as these serve as important fundraising opportunities for our club and these funds go directly towards supporting our athletes and programs. Hosting competitions relies heavily on the support of our valued members and families to fill volunteer roles over the course of the event. Information on how to volunteer your time at these events will be communicated closer to each event – please keep an eye out for a request for volunteers in your email inboxes in the coming weeks for the Sectional Series Competition in August.

We also have several other volunteer opportunities throughout the season including the Holiday show in December and session reps for CanSkate and other sessions. Please continue reading for a full list of volunteer opportunities this season.

## **2022-2023 SCBC VOLUNTEER COMMITMENT POLICY**

The volunteer following commitment applies to all registered skater families in the following sessions; Star 1-2, Star 3-4, Star 5+, Open and Ice Dance. The volunteer requirement for each family is 15 volunteer hours or \$250. For families with multiple children in our program, an additional 5 hours or \$50 is required per each additional child.

Volunteer hours may be contributed by skaters, only where the skater has reached 16 years of age. There are a limited number of opportunities for these skaters to gain the necessary hours. Check with the SCBC Board to determine what qualifies as acceptable hours. These skaters at their discretion, can use these hours towards

the High School Volunteer Commitment that students are required to complete. Volunteer hours may not be used for both, therefore the skater will need to decide how they would like their hours counted. CanSkate Program Assistant hours do not count as part of the volunteer commitment under this program.

Volunteer Reporting Cards are available for all members through the SCBC website. Once you have completed a volunteer session, you are to record this on your form and have it signed off in the club office. Only SCBC Board members are able to authorize your volunteer hours.

## PAYMENT

A \$250.00 volunteer credit per skater (\$50 per each additional child) will be added to your 2022-2023 registration. Once your volunteer hours have been verified, the volunteer fees will be returned in the form of a direct refund to your credit card, or a credit to be used for future SCBC programming.

**Note:** There is no payout for partial hours completed against your deposit. If you do not complete the required number of volunteer hours, your credit will not be returned.

Volunteer forms are due back to the club, attention SCBC Board on or before June 1<sup>st</sup> of the skating year. Only these hours will be used to count towards your volunteer hours for the year. Any hours after June 1<sup>st</sup> will be counted towards the following year's volunteer commitment. Credits/refunds for the volunteer commitment deposit will be made by July 1<sup>st</sup>.
