Refund requests must be by written submission and will be at the discretion of the board.

SESSION REGISTRATION AND MOVES

All skaters must be registered in the highest level they qualify for as of their last assessment day for the SCBC session ice they skate on. This allows SCBC the opportunity to better accommodate each skaters needs and ensure a higher level of safety while on the ice, for all skaters.

Movement to a higher session is only allowed provided the following conditions are met:

1. The skater must have passed the required assessments. The skater's coach will identify which session a skater should register for.
2. A formal Letter/Email of Request from the member, to include agreement of the skater's head coach must be received by the operations coordinator (info@skatescbc.ca) for approval. All requests will be considered in the order to which they are received.
3. There must be available space on the session the skater is requesting. A waiting list may be created as necessary if the session is full.
4. Approval may involve consultation with all, or some of the following: the individual Skaters Coach, SCBC Coaches Assessment Team and SCBC Board.

Skaters are only able to skate in sessions for which their skills are appropriate.

Skater advancement may occur as a result of a successful "assessment".

Skaters are not permitted to move to another session until authorization has been granted and written notification has been received.

Skater safety is a priority and will not be compromised to accommodate any one request.

Once permitted to move levels, a skater must attend only the scheduled days for the new session that was requested. The skater is not allowed to skate on the previous, old session.

At the STARSkate/Competitive level, skaters are required to obtain and work with a private coach. If you have questions regarding private coaching, please contact our operations coordinator at info@skatescbc.ca.

VOLUNTEER COMMITMENT POLICY

SCBC operates as a not-for-profit organization that requires the support of volunteers to operate successfully. The club offers various volunteer opportunities throughout the course of the skating season, such as events and competitions that we host in partnership with Skate Ontario.

We also have several other volunteer opportunities throughout the season including the Holiday show in December and session reps for CanSkate and other sessions and our annual Star 1-4 Club Competition.

The volunteer commitment applies to all registered skater families in the following sessions; Bridging, Star 1-2, Star 3-4, Star 5+, Open, Ice Dance, Academy, Pre-Competitive and Teen/Adult StarSkate.

The volunteer requirement for each family is 15 volunteer hours or \$300. For families with multiple children in our program, an additional 5 hours or \$75 is required per each additional child.

Payment

The volunteer fee (\$300 for first skater + \$75 for each additional skater) will be added to your 2023-2024 registration. Once your volunteer hours have been verified, the credit will be returned in the form of a direct refund to your credit card, or a credit to be used for future SCBC programming.

Note: *There is no payout for partial hours completed against your deposit. If you do not complete the required number of volunteer hours, your credit will not be returned.*

Volunteer hours may be contributed by skaters, only where the skater has reached 16 years of age. There are a limited number of opportunities for these skaters to gain the necessary hours. Check with the SCBC Board to determine what qualifies as acceptable hours. These skaters at their discretion, can use these hours towards the High School Volunteer Commitment that students are required to complete. Volunteer hours may not be used for both, therefore the skater will need to decide how they would like their hours counted.

CanSkate Program Assistant hours do not count as part of the volunteer commitment under this program.

Volunteer Reporting Cards are available for all members through the SCBC website or in the office. Once you have completed a volunteer session, you are to record this on your form and have it signed off in the club office. Only SCBC Board members are able to authorize your volunteer hours.

Volunteer forms are due back to the club, attention SCBC Board on or before June 1st of the skating year. Only these hours will be used to count towards your volunteer hours for the year. Any hours after June 1st will be counted towards the following year's volunteer commitment.

Skaters who move into a StarSkate, Academy, Ice Dance or bridging program March 1st or later are not required to complete the volunteer commitment. Information on each of these volunteer opportunities will be communicated out to our membership as each event approaches.

IN CASE OF FIRE ALARM, POWER OUTAGE OR OTHER EMERGENCIES:

When the Fire Alarm sounds, you need to act immediately to ensure your safety. The Fire Alarm System is designed and engineered to provide you with an early warning to allow you to safely exit the building during an emergency.

If a fire alarm has been activated while your children are skating, the Coaches, Board Members and City Staff will ensure they are evacuated safely. The skaters will be taken off the ice in an orderly manner by way of the safest and closest exit.

As the children are exiting the rink, they **must have hard guards** to place on their skates. It is **extremely dangerous** for your child to be walking without hard guards. These guards should be placed on the table where the children enter and exit the rink. Please make sure they have hard guards with their names on them.

Never return for personal items left behind. This includes items left in the change rooms. City Staff, Coaches and Board Members will check change rooms to ensure everyone is evacuated.

Never ignore or assume the alarm is false or the result of a test.

Everyone must evacuate the building by way of the safest and closest exit and/or stairway. If parents are in the viewing area, they must use the closest exit. Please exit in an orderly manner.

Never use an elevator to exit during fire alarm activation.

Once outside the building, remain calm. At the meeting point identified by the City of Brampton staff, attendance will be taken by session representative (if one is available for session) under the direction of the Board member/admin on site. **Please do not leave with your child** (until advised) as we need to ensure that everyone is out safely. In the event of a real fire, if a parent leaves without advising us, the Fire Department will go back into the facility looking for the child.

Once outside, **never re-enter** the building until you are told to do so by the City Employees or the Fire Department.

** Note: SCBC takes their direction from the City of Brampton / Cassie Campbell staff. An evacuation may not be applicable in certain emergencies. Please follow the instructions from the City of Brampton employees, as we will also be obtaining guidance from them on how to proceed.
